

Draft Fees and Charges Schedule 2023–2024

This appendix presents the fees and charges of a statutory/non-statutory nature which will be charged in respect to various goods and services during the FY 2023-24.

Council provides a wide range of services to their communities, often for a fee or charge. The nature of these fees and charges generally depends on whether they relate to compulsory or discretionary services. Some of these, such as statutory planning and local law fees, are set by the State government and are commonly known as 'Statutory Fees'. In these cases, Council usually has no control over service pricing.

Fees and charges are based on information available at the time of publishing and may vary during the financial year subject to any changes in Council's policy or legislation.
