Street trees are an important part  
of your local neighbourhood and add  
value to your home and community.

Council is pleased to offer you two tree species to  
select from, which have been chosen based on:

- local neighbourhood character
- the ability of the tree to survive and thrive in the local environment
- available planting space, and any water/gas/electricity services located above or below ground
- the contribution the type of tree would make to sustainability and local biodiversity.

# Street Tree Renewal

## Manikato Court

The street trees in your area have been  
selected for renewal in 2023-24. Have your say  
online at [engage.whittlesea.vic.gov.au/strp](https://engage.whittlesea.vic.gov.au/strp)  
or by completing and returning the enclosed  
questionnaire.

Each year Council undertakes the Street Tree Renewal Program to ensure that trees throughout the municipality are of a high standard and that the types of trees planted add character and appeal to the area.

Your street has been selected as part of the program, with renewal works set to be completed by end of June 2024.

Please let us know which species you would prefer planted. Tree options for your street are listed below.

### Option 1

## Trident Maple

*Acer buergerianum*

Small deciduous, drought-tolerant tree with a rounded canopy. Leaves have a distinctive 'ivy' shape.

#### Features:

- Brilliant predominantly yellow autumn colour
- New foliage is a darker bronze colour

### Option 2

## Illawarra Plum

*Podocarpus elatus*

An ornamental, evergreen shade tree native to coastal New South Wales, with deep green, glossy foliage.

#### Features:

- Edible dark purple fruit
- Adaptable to a range of conditions
