Street trees are an important part
of your local neighbourhood and add
value to your home and community.

Council is pleased to offer you two tree species to
select from, which have been chosen based on:

- local neighbourhood character
- the ability of the tree to survive and thrive in the local environment
- available planting space, and any water/gas/electricity services located above or below ground
- the contribution the type of tree would make to sustainability and local biodiversity.

Street Tree Renewal

Blossom Park Drive

The street trees in your area have been
selected for renewal in 2023-24. Have your say
online at engage.whittlesea.vic.gov.au/strp
or by completing and returning the enclosed
questionnaire.

Each year Council undertakes the Street Tree Renewal Program to ensure that trees throughout the municipality are of a high standard and that the types of trees planted add character and appeal to the area.

Your street has been selected as part of the program, with renewal works set to be completed by end of June 2024.

Please let us know which species you would prefer planted. Tree options for your street are listed below.

Option 1

Red Oak

Quercus rubra

A fast-growing, well-structured tree with attractive red to golden brown foliage in Autumn. Small, insignificant flowers appear in spring.

Features:

- Broad habit, glossy dark green leaves that turn red in Autumn before falling
- Grows straight and tall with a rounded top at maturity

Option 2

Blueberry Ash

Elaeocarpus reticulatus

Small, hardy native tree with dark green foliage and dark blue berries.

Features:

- Reddish-pink young leaves
- White feathery flowers in spring and summer
